

# Will the REAL Mark Sharpe, Please Stand Up?

We've rejected politicians who don't have the integrity to stand on principle.

"I voted for it before I voted against it," Senator John Kerry.

*"I'm not a rail advocate..."*  
Mark Sharpe, MHF 06/2010

*"Sharpe doubled-down on his support for the rail project and the tax increase to fund it."*

So which Mark Sharpe are we voting for on Tuesday, August 24th?

No  
New Taxes

The Mark Sharpe that's against the tax  
or the Mark Sharpe that's for the tax?

Yes To The  
Rail Tax

# Under Mark Sharpe's "conservative" leadership:

- ✓ *Our Property Taxes have risen 18%*
- ✓ *Sharpe is supporting a 14% increase in our sales tax*
- ✓ *Sharpe has supported doubling of our local county sales-surtax*
- ✓ *Sharpe has approved county staff to spend \$300,000 on meals which were ruled an illegal use of our tax dollars*
- ✓ *Sharpe is leading the effort to build a \$3 Billion rail system for the City of Tampa paid for by our tax dollars*
- ✓ *And he's on record stating "we have to find a smart way to tax our citizens."*

*Let's find a "smart way" to tell Mark that we're tired of broken promises and Republican politicians that abandon our conservative values.*
